Very little snow, it has been well above the annual average temperature. Morning sunshine reflecting on the city downtown.

February 2024, unusually warm, springlike weather, with the temperature be 2.5°C, raining and windy. We encountered about two weeks of real cold winter where temperatures dipped by - 40°C, a rarity for Calgary. Our first Saturday in February is our annual installation of officers and we have just come off from another successful year in Constantian Masonry. We noted two unusual circumstances that is worthy to bring forward for the membership and the annals of Freemasonry.

Below you will notice there are two photographs that will help explain.

Three Knight Companions – leaders of three different fraternities

Members of Chinook City Conclave #29

Left is MEC James Carswell – 2023-2024 Grand First Principal of Royal Arch Masons of Alberta, middle is MWBro Kyle Scott – 2023-2024 Grand Master of the Grand Lodge of Alberta and to the right is MIC Jerry W. Kopp – 2023-2024 Grand Master of the Grand Council of Cryptic Rite Masons of Western Canada R & SM and he is also the Grand Senior General of the Grand Imperial Conclave of Canada. The gathering of three Companions from the same Conclave bodes well for Chinook City Conclave #29
